

## **2024 DIRECTOR RESUME'S**

### **3 POSITIONS AVAILABLE WITH 5 STANDING**

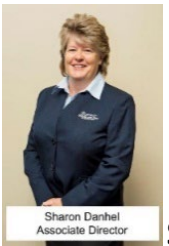

**L (Leslie) Arnould OAM JP MPA**

I've lived in Batemans Bay since 1999 and have been actively involved in the community, particularly with the RSL Sub-Branch, Vietnam Veterans and Legacy. These organizations provide support to veterans and the families of deceased veterans.

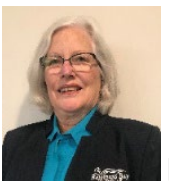

For the past fourteen years, I've served as a Director of the Soldiers Club and I am currently the Vice President. I've enjoyed being part of the team that supports the Management and Staff in running and improving the Club for the benefit of its members. I have worked on all sub committees and are very excited and fully support the clubs strategic direction for the future.

My career includes 25 years in the Military, after which I worked with State Governments, an International Legal Firm, a Bank, and finally as an Executive Officer of Finance at the University of Tasmania, where I earned my Master's degree in Public Administration. I believe my career experiences continue to benefit the Board of the Soldiers Club. I enjoy the challenges of being a Director and am committed to fulfilling all duties required. If re-elected, I will continue to serve all members to the best of my ability.

**S. L. (Sharon) Danhel**

Having served on the board for the last 6 years, I look forward to re-standing for the board and continuing the development and implementation of the new strategic plan. Whilst the future of the Batemans Bay Soldiers Club is strong we need to be mindful of regulatory and governance requirements of the industry and create a sustainable new business model for the future. If re-elected I will continue my strong advocacy for the members in maintaining our club's values, vibrancy, and family friendly atmosphere.

**H. (HELEN) Kop**

I have lived in the Eurobodalla region since 2003.

Prior to that, my working life primarily involved being an Office Manager for an Insurance Broker in Parramatta, a position I held for 10 years.

I am a life member of the Campbelltown City Hockey Club, a club that I helped form in 1975. Whilst at the club, I held several positions, including Secretary, Treasurer, Coach and Manager.

Since 2003, I have been a volunteer in several areas of the Eurobodalla community, including schools and my local church. My focus has been my involvement with the Eurobodalla Veterans Support Group. I am the current Secretary, Public Officer and a qualified Level 2 Advocate. I provide advocacy services to veterans in our local region, by assisting with submission of claims for Defence-caused illnesses and injuries, to the Dept of Veterans Affairs.

I have previously spent time as a Club Board member in 2019/20, and I look forward to being able to work with other members of the Board in the future.

### **S. (Susan) Rowland**

My name is Susan Rowland, I have lived in Batemans Bay for 34 years and enjoy attending the soldiers club, where I have been a member for 12 years.

Married to Peter who was a 20 year ex-army member. I retired 5 years ago after 30 years employment with Medicare/Centrelink. I enjoy giving back to the Batemans Bay community by volunteering at Noahs Place disability for children and as a palliative care member.

I enjoy swimming and dancing and generally keeping active.

I would like the opportunity to be on the board of the Soldiers Club to be able to support the club with its future challenges and help create a strong club community for generations to come.

### **P. (Paul) Bell**

A member for over 45 years and local to Batemans Bay, I bring 38 years of experience from the Eurobodalla Shire Council and a rich history with the Soldiers Club. As a board member from 2000 to 2019, I contributed to major club extensions and the Baylink project through the building and forward planning committee.

My connection to the club and community is reflected in my life membership with the Soldiers Club Fishing Club, where I've served as President, Secretary, Weigh Master, and Committee Member.

If re-elected, I commit to:

1. Actively promoting the club and its values
2. Listening attentively to members' voices and acting on their feedback
3. Enhancing recreational and social facilities for all ages and interests

With extensive experience and proven dedication, I aim to contribute positively to the club's future, ensuring it meets our community's evolving needs while honouring our traditions.
